Meet Our Women's Pastoral Staff

Campus Minister Sr. Lorraine Doiron

God is full of surprises! Growing up in a small fishing village on the east coast of New Brunswick, CANADA, I never imagined that my address would ever have New Brunswick in it again. After 25 years in the United State, and becoming a United States citizen in 2005, I get to read 'New Brunswick' on my mail again!

Growing up as a fisherman's daughter who gets seasick whenever I see moving water, I was never able to do much fishing. This is why my leaning was toward sports. I love hockey ... but who doesn't ... and I can say that I was able to make it through high school only because I had gym class almost every day. Playing sports was my lifeline during my teen years, but then I graduated.

When I was 19 years old, I was invited to a retreat weekend and for the first time in my life I saw some young people who loved God and loved our Catholic faith. Don't get me wrong, I attended regular weekly Mass, but I surely didn't know that Jesus not only could but desired to be my best friend. I met the person of Jesus on that weekend. And my life has been a wonderful adventure ever since.

God called me to serve Him in the poor at a homeless shelter for 10 years. Then He called me to leave my country, my language (French), my family, and to follow Him to New Jersey so I could become a Sister of Jesus Our Hope. Just as the young man in the parable of the pearl of great price sold all he had to buy the field, I left everything behind

because I had found the pearl of great price in the way of life of the Sisters of Jesus Our Hope. I love our life and consider myself very blessed to have found this community.

In the twenty-five years of living here in New Jersey, I have served as a preschool teacher, a religious education teacher, a youth minister, an adult faith formation coordinator and now God has sent me to serve as chaplain here at the Catholic Center at Rutgers. I am excited to be here and can't wait to meet all of you. As I mentioned earlier, my life has been a wonderful adventure and I am eager to enter into this new adventure with all of you.

Campus Minister Mrs. Laura Greey

Hi all! I am Laura Greey. I was born in the Bronx NYC, and at age 9 I moved to New Milford, NJ. One interesting fact about me is I danced at a World's Fair in 19???. You probably heard about World's Fairs in history. Well anyway, another interesting fact is I have been wilderness camping and have a great bear story. You'll have to ask about it.

I graduated from New Milford High School, attended Felician College and Rutgers, Newark and received my nursing degree. I passed my boards to become a nurse.

I have been married to a wonderful man, my husband Ed, for 35 years and we have 7 treasures in our family, 5 girls and 2 boys. We live in Berkeley Heights.

I have had the privilege to work in all ages of ministries for women from Bible schools, junior high, high school, college, young moms and women's ministries. My first love is working with women to reveal the love of Jesus for each of them and help them know how much God loves women, and what a joy it can be to be a woman in Christ. I would love to share my journey to know Christ and learn to love being a woman of God with you.

I also love anything to do with being outside in nature: beaches, mountains, rivers, valleys, sunsets, sunrises... but I especially love sitting around talking next to any type of fire: bon fires, beach fires, camp fires, fire pits. Oh yes and fire = smores! Looking forward to meeting you and sharing our stories.
