### **Front Desk Volunteers**

The Catholic Center is in need of volunteers to sit at our lobby desk. It entails unlocking the door to let students and Mass attendees in, operating the front parking gate (from the desk) and greeting visitors. In the meantime, feel free to bring your books and laptop and study (no headphones though). It's easy and serves a great purpose. Please consider offering up some of your time! We would gladly give you Community Service hours and give recommendations. Our hours are:

Mon-Thurs 10 am - 10 pm      Friday 10 am - 5 pm      Sunday 11 am - 10 pm.

We have several time slots still open and especially need guys for the evening hours (for security purposes). If you can help, whatever the amount of time you can give us would be great. Please email Colleen at <coldon@rci.rutgers.edu>.

## Meet Chaplain Fr. Peter Cebulka, C.O.

I am a native New Jerseyan, having grown up in rural Chesterfield Twp. In Burlington County. After graduating college with a degree in religion, I joined the Franciscans and was a brother in that order for five years, during which I received a Master of Liturgical Music degree from Catholic University. After those years with the friars, I moved to Bound Brook, NJ and began my career in education teaching middle school and junior high and also serving for a few years as vice-principal at St. Joseph School. During this time I also completed an M.A. in Elementary Education at Seton Hall University. Teaching is one of my deepest passions and it was no easy decision to give up the classroom when I began to discern the Lord calling me to priestly service. I entered the seminary in September of 1990, pursuing theological studies at Immaculate Conception Seminary, Seton Hall. My area of concentration was in church history. Ordination was in May of 1993 at which point I was assigned to St. Bartholomew Church in East Brunswick where I served as associate pastor, and for three years, as principal of the parish school.

I am a member of the Congregation of the Oratory of St. Philip Neri, commonly known as the Oratorians. St. Philip Neri, the founder of the Congregation of the Oratory, had a great love for young people and enjoyed being in their company. Ministry with college students is a work that is truly in keeping with the spirit of St. Philip and the tradition of the Oratory. My entire adult life has been spent in working with young people in one way or another and I have been greatly enriched by the experience. I am grateful to the Lord for giving me the grace to work in campus ministry and to be of service to the student community here at Rutgers.
